Contribution and Mistakes

If you have found a mistake in the course material or if you have any suggestion on how to improve the course, please let me know by sending me an e-mail to nils.roemer@planningio.com.

FAQs

How can I download PDF slides from the lecture?

Each lecture page offers a PDF version of the lecture notes under **Other Formats**. To export the slides themselves as a PDF:

1. First, open the lecture you want to download the slides from.
2. Then, click on the `RevealJS` button in the top right corner.
3. Now, click on the three stacked bars in the lower left corner.
4. Then, click on `Tools` in the upper left corner.
5. Now you can select `PDF Export Mode` and then save the slides as a PDF.
